

# You Make Life So Good

Rahsaan Patterson

I've waited all my life  
For this moment to arrive  
Saw it coming back some miles  
And I'm so glad you took the ride  
You're the one I do adore  
How could I ever ask for more  
You're the special kind of wild child  
It's like you've been here once before

Nothing can make me bend  
Or stray from this love again  
This heaven is a blessing sent  
I'm honored to be your man

Cause you make Life So Good (2x)

You took away my pride  
Made me open up my eyes  
Cause now I realize that love is fine  
And it's a feeling I can't deny

You're love's a blessing sent  
From heaven above my friend  
Nothings' going to make me bend  
Out of this love again

I love you, yeah (ooh, I love)  
Don't ever change  
I love you yeah  
You're the best thing yet
