

Empire Of Our Own

Rain

Lay, hours under love
Bathing in the rush I need
You blow my endorphins
Fade, always on the run
But you would slip back in with ease
The place where life begins

And oh oh oh, our minds are full of freedom
We're in a world where we all come alive
And oh oh oh , when love becomes the reason
We fly with kings tonight and come down
with an Empire of our own

oh -oh -oh -oh -oh -oh -oh -oh -oh
Hey yeah yeah yeah
ey yeah ey yeah ey yeah ey yeah ey yeah
With an empire of our
oh -oh -oh -oh -oh -oh -oh -oh -oh
hey yeah yeah yeah
ey yeah ey yeah ey yeah ey yeah ey yeah
With an empire of our own

Change, moments move you on
Our glory days are numbered
You're the one two count my love

And oh oh oh, our minds are full of freedom
We're in a world where we all come alive
And oh oh oh , when love becomes the reason
We fly with kings tonight and come down
with an Empire of our own

oh -oh -oh -oh -oh -oh -oh -oh -oh
Hey yeah yeah yeah
ey yeah ey yeah ey yeah ey yeah ey yeah
With an empire of our

ey yeah ey yeah ey yeah ey yeah ey yeah
With an empire of our own
