

# If You Don't Like Rock 'n' Roll

Rainbow

You'd never know there was some music playin'  
Until you talked your way inside the door  
And then a sound like rollin' thunder  
Begins to push you right thru the floor

And there's a great white sign  
With big black letters  
That just about explains it all

If you don't like rock 'n' roll  
Well, if you don't like rock 'n' roll  
If you don't like rock 'n' roll  
Then it's too late now  
Well it's too late now

Hey hey  
Of course there was the usual lady  
And she was dressed the way the stories tell  
So bein' cool I made a move to grab her  
But you could see she read story well

And then she whipped out a card  
With big black letters  
That just about explained it all

Well if you don't like rock 'n' roll  
If you don't like rock 'n' roll  
Well if you don't like rock 'n' roll  
Then you're too late now  
Then you're too late now

Well, if you don't like rock 'n' roll  
Well, if you don't like rock 'n' roll, yeah  
If you don't like rock 'n' roll  
Well it's too late now  
Well you're too late now

If you don't like rock 'n' roll  
If you don't like my rock 'n' roll  
Then you're too late now  
Then you're too late now  
Then you're too late, too late now
