Since You Been Gone

Rainbow

I get the same old dreams same time everynight Fall to the ground and I wake up So I get out of bed, put on my shoes and in my head Thoughts fly back to the breakup

These four wall are closing in Look at the fix you put me in

Since you been gone Since you been gone I'm out of my head can't take it Could I be wrong But since you been gone You cast your spell so break it Oh-oh, oh-oh, oh-oh Since you been gone

So in the night I stand beneath the backstreet light I read the words that you sent to me I can take the afternoon, the night time comes around too soon You can't know what you mean to me

Your poison letter, your telegram Just goes to show you don't give a damn

Since you been gone Since you been gone I'm out of my head can't take it Could I be wrong But since you been gone You cast your spell so break it Oh-oh, oh-oh, oh-oh Since you been gone

If you will come back Baby, you know you'll never do wrong

Since you been gone Since you been gone I'm out of my head can't take it Could I be wrong But since you been gone You cast your spell so break it Oh-oh, oh-oh, oh-oh, oh-oh Ever since you been gone

Since you been gone Since you been gone I'm out of my head can't take it Since you been gone Since you been gone I'm out of my head can't take it
