

Still I'm Sad

Rainbow

See the stars come fallin' down from the sky
Gently passing, they kiss your tear drops dry
See the wind come, softly blow
Your hair from your face
And the rain comes falling down
In its crazy way
Still I'm sad

For myself my tears just fall in the dust
As I search in the night and find they're lost
See the wind come gently blow
Time into my heart
And the rain comes falling down
While we're apart
Still I'm sad
