

# Street of Dreams

Rainbow

I heard the sound of voices in the night  
Spellbound there was someone calling  
I looked around no one was in sight  
Pulled down I just kept on falling  
I've seen this place before  
You were standing by my side  
I've seen your face before tonight

Maybe I just see what I want it to be  
I know it's a mystery

Do you remember me  
On the street of dreams  
Running through my memory  
On the street of dreams  
There you stood a distant memory  
So good like we never parted  
Said to myself I knew you'd set me free  
And here we are right back where we started  
Something's come over me  
And I don't know what to feel  
Maybe this fantasy is real

Now I know I see what I want it to be  
But it's still a mystery

Do you remember me  
On the street of dreams  
Running through my memory  
On the street of dreams  
You're in every face I see  
On the street of dreams  
Something's come over me  
And I don't know what to feel  
Maybe this fantasy is real

Now I know I see what I want it to be  
But it's still a mystery

Do you remember me  
On the street of dreams  
Running through my memory  
On the street of dreams  
On the street of dreams  
I know have you always been  
On the street of dreams  
Will we ever meet again (my friend)  
On the street of dreams  
Do you know just what it means to be  
On the street of dreams  
Never know just who you'll see (do ya)  
On the street of dreams  
You can be who you want to be oh yeah  
On the street of dreams  
I can hear you calling me  
On the street of dreams  
I can feel you haunting me

On the street of dreams  
Haunting me  
On the street of dreams
