

# I'm Melting!

Rainer Maria

Can we  
start this conversation over?  
you are looking over  
my shoulder to impress someone tonight.

I'm dying from only  
listening to you,  
and though i smile,  
it's just because i want to like you.

The truth is, i'm overwhelming you  
with lies and though i try,  
there's no honesty in me tonight.

Can we  
start the introductions over?  
you are looking over my shoulder  
to impress someone tonight.

I'm dying from only  
listening to you,  
and though i'm quiet,  
i'll find my voice tonight.

I know that i can be cold sometimes.  
there was snow on the ground  
when i was born,  
and the stars didn't shine  
that night.

Take me out, take me out,  
and i'll melt, i'll melt.

All the way down.
