

Viva Anger Viva Hate

Rainer Maria

And so, gradually, i'm trying
Do you know how hard?
To integrate the past with now.
I don't believe in fate.
There's no forgiveness,
There must be something more.
I'm convinced,
Regardless of all the times
They said that i should forget everything.
Now i'm not so sure that i can do anything.
This broken scene with me above you above me.
I feel broken. didn't you hear me?
The basement floods, and all the magazines are wet.
What's left to salvage?
