

## Viva Anger Viva Hate

Rainer Maria

And so, gradually, i'm trying  
Do you know how hard?  
To integrate the past with now.  
I don't believe in fate.  
There's no forgiveness,  
There must be something more.  
I'm convinced,  
Regardless of all the times  
They said that i should forget everything.  
Now i'm not so sure that i can do anything.  
This broken scene with me above you above me.  
I feel broken. didn't you hear me?  
The basement floods, and all the magazines are wet.  
What's left to salvage?
