

## Only Through You

### Raining Pleasure

It's only through you that I'm learning the world  
It's only through you that I can forgive  
Well you've needed my protection  
and I've been but a selfish pig  
then I learned what forgiveness means  
to love is to forgive

It's only through you that I'm knowing myself  
It's only through you that I can survive  
Well it must have been some strange force  
That brought you into my life  
and it's got me hooked on you  
I hope it never sets me free

Thank you for being there and thank you for being you  
May your little daughter do what friends didn't do for  
you  
I'll hold your tender and you'll let me sing to you  
call out my name and you know I'll be there for you

It's only through you that I love things to come  
It's only through you that I'm staying awake  
Well yoga is full of mystery  
and life's full of temptations  
Well I wouldn't have any plans  
if it weren't for you

Thank you for being there and thank you for being you  
May your little daughter do what friends didn't do for  
you  
I'll hold your tender and you'll let me sing to you  
call out my name and you know I'll be there for you
