

Only Through You

Raining Pleasure

It's only through you that I'm learning the world
It's only through you that I can forgive
Well you've needed my protection
and I've been but a selfish pig
then I learned what forgiveness means
to love is to forgive

It's only through you that I'm knowing myself
It's only through you that I can survive
Well it must have been some strange force
That brought you into my life
and it's got me hooked on you
I hope it never sets me free

Thank you for being there and thank you for being you
May your little daughter do what friends didn't do for
you
I'll hold your tender and you'll let me sing to you
call out my name and you know I'll be there for you

It's only through you that I love things to come
It's only through you that I'm staying awake
Well yoga is full of mystery
and life's full of temptations
Well I wouldn't have any plans
if it weren't for you

Thank you for being there and thank you for being you
May your little daughter do what friends didn't do for
you
I'll hold your tender and you'll let me sing to you
call out my name and you know I'll be there for you
