

# Everything That Touches You

Bonnie Raitt

You say, you're all alone with visions all you're own  
The things you feel nobody feels the same  
But you know me, you know what I've been through

And everything that touches me  
And everything that touches me  
Everything that touches me, touches you

Friends are all alone, may lighten up your love  
By saying what they think, you really want to hear  
But I'll only tell you what I've been is true

And everything that touches me  
And everything that touches me  
And everything that touches me, touches you

Shame 'cause I can't take you there  
Unless I know a part of what you're thinking  
Care 'cause it's only fair  
Darling can't you feel my heart is breaking  
My heart is breaking

Everything that touches me  
Everything that touches me  
Everything that touches me, touches you

Everything that touches me  
Everything that touches me  
Everything that touches me, touches you

Everything that touches me  
Everything that touches me  
Everything that touches me, touches you
