

# Good Enough

Bonnie Raitt

First time I brought you home  
My Mama said, "He ain't good enough  
I don't want my girl to be alone  
But I wonder is he good enough"  
I was doin' some worryin' too  
And I was thinkin', thinkin'  
Am I good enough for you?

The first time that I loved you  
I know it was a little rough  
But when at last we were still  
You asked, "Was it good enough?"  
And I cried and looked in your eyes of blue  
'Cause I been prayin', prayin'  
I was good enough for you  
Good enough for you

Now I got to set your mind at ease  
Got to stop your insecurities  
'Cause if anything  
You're too good for me

Now it's strange how time's gone by  
Since the day that we fell in love  
And still some times we have to ask ourselves  
Was it good enough  
And time is bound to make us see  
Just how good  
Good enough can be  
Good enough can be  
Good enough for you baby  
Good enough for me

I don't want to be long  
Good enough for me  
Keep me warm, baby  
Good enough for me  
Good enough for baby  
Good enough for me
