I Thank You

Bonnie Raitt

You didn't have to love me like you did But you did, yes you did and I thank you You didn't have to squeeze me like you did But you did, yes you did and I thank you

If you took your love somewhere else
I wouldn't know what it meant to be loved to death
You make me feel, like I've never felt
Kisses so good I've got to holler for help

You didn't have to squeeze me like you did But you did, yes you did and I thank you You didn't have to hold me like you did But you did, yes you did and I thank you

Everyday you find something new
To pull out your bag and burn the dew
You got me tryin' do new things too
Just so I could keep up with you, thank you, baby

Didn't have to shake it like you did But you did, yes you did and I thank you Didn't have to make it like you did But you did, yes you did and I thank you

All my life I've been short changed Without your love baby, it's a crying shame Now I know what the girls were talking about When they say that ya, ooh

I wanna thank you baby
Thank you honey
I've got to thank you, hoo
Baby, yeah
