

# The Glow

Bonnie Raitt

I need a drink  
Don't want to think  
I drink too much  
But who's to say  
What's right or wrong?

I guess you think you see  
You're tellin' me  
That I don't know  
When it's passed the point  
Of feelin' good  
I run around and find  
I just can't get satisfied  
Tonight

Now there's a phone  
I hear the sound  
I needed to talk  
But it's too late  
For talkin' now

I guess I'll go alone  
I feel a glow...  
here i am  
here i am  
here i am  
What I need is a friend tonight  
what I need is a friend  
What I need is someone  
What I really need is just one more drink  
Tonight  
Tonight...
