

Three Time Loser

Bonnie Raitt

How many teardrops gonna fall tonight
How many heartaches can a woman have in one life

I lost a lover lost a friend
through with love I just can't win

Three time loser three time loser

How many hours, your love I'm gonna wait?
How many heartaches you really think I'm gonna take?

I lost a lover, lost a friend, You were that
kind, whoa You will never win.

Three time loser three time loser

One two three in misery

I lost a lover lost a friend
through with love I just can't win

Three time loser three time loser
