

Your Good Thing (Is About to End)

Bonnie Raitt

I don't have to beg you to hold me
'Cause somebody else will
You don't have to love me when I want it, no
'Cause somebody else will

Some kind friends say you don't need it
But all the time, they're tryin' to get it
Look out

Your good thing
Is about to come to an end
Your real good thing
Is about to come to an end

All those nights I watched the four walls
I did not have to watch them all alone
When other men said they wanted me, baby
I didn't have to tell them I was your very own

You have all the love that I've got
Even ... water, and gets hot
Look out

Your good thing
Is about to come to an end
Your real good thing
It's about to end

Getting myself back together
Is gonna be a big problem, I know
But when the right man says he wants me
Boy, you can bet I won't tell him no

'Cause your real good thing
Is about to come to an end

Your real, your good thing
Your good thing, baby
Good thing
Your good thing
Your good thing, baby
