I'm the arsenal I got artillery, lyrics of ammo Rounds of rhythm Then I'm 'a give 'em piano Bring a bullet-proof vest Nothin' to ricochet ready to aim at the brain ~Now what the trigger say Tempos triflin' Felt like a rifle Massage 'n' melodies Might go right through Simultaneously like an Uzi Nothin' can bruise me Lyrics let up when lady say don't lose me So re-load quickly And you better hit me While I'm lettin' this fifi get wit me You steppin' with .007 Better make it snappy No time to do your hair, baby Brothers are bustin' at me Beats and bullets pass me None on target They want the R hit But wtch the god get Quicker, the tongue is the trigger 'Cause I'm real fast Let off some rhythm at 'em Let 'em feel the blast Penetrate at a crazy rate This ain't no .38 Hit 'em at point blank range And watch 'em radiate Runnin' out of ammunition I'm done wit' em You ask me how I did 'em I let the rhythm hit 'em I push a power that's punishable Better be a prisoner The hit man is the Brother wit' charisma Showing you that I have Powerful paragraphs Followers will become leaders But without a path Ya mentally paralyzed Crippled ya third eye Rhymes are blurred Then it occurred that you heard I Reduced the friction with crucifixion Let loose the mix then Boost the piston Eric hit 'em with' some of that Cut like a lumberjack

And me gettin' hit back

It won't be none of that I'm untouchable You see me in 3-D When I let the rhythm hit another M.C. Lyrics made of lead Enters your head Then eruptions of a mass production Will spread when Music is louder Full of gunpower Microphone machinery When I see a crowd of Party people pumpin' Their fist like this Ya hide in the back Thinkin' that I might miss But the R is accurate Plus I'm packed up with Educated punch lines that I have to hit Whatever I aim at I line 'em up Ya body is weak, feel with pain That time is up You been hit with somethin' Different, isn't it? Rakim is gonna radiate and nothing's equivalent Nothin' can harm me Why try to bar me You couldn't come around to rob with a army You'll get wrecked by the architect So respect 'em I disconnect 'em, soon as I inject 'em With radiation Put 'em by the basement Bust his chest open Bash his face in Let it split 'im Since he brought his main man wit' 'im He ask me how I did 'im I let the rhythm hit 'im Let it hit 'im

Dance floor's dangerous Packed in like a briefcase Rhyth with ral rough rhyme Beats with deep bass Girls with tight pants Maybe they might dance Tonight if the Rs on the mike There's a slight chance The crowd is crucial M.C.'s grounds are neutral Now that you're here let me introduce you I'm hard read like graffiti but steady Science I drop is real heavy Radiant energy, that'll be the penalty Touch the third rail on the pain of remedy The prescription's one every hour Now it's a havoc If ya need another hit from the freestyle fanatic Attention: follow directions real close

Keep out of reach of children
Beware of overdose
Too many milligram
But what made a iller jam
My rhyme is the rhythm of thoughts
That kill a man
I deas for the ear to fear
Might split 'im
He'll never forget 'im
He'll rest in peace wit' 'em
At least when he left he'll know what hit 'im
The last breath of the words of death
Was the rhythm

Now throw you hands in the air and yo, go Rakim will do the rest of this slow If I speed they know you'll blow the hell up If I slow up, catch up, hell no Wicked as I kecked it Don't need to remix it 'Cause I prefixed it Reversed and switched it To perform to perfection Section for section Rhymes keep connectin' Ya guessin' what's next an' Blood pressure rise as ya damn near lost it Ya hit the ground burnin' and woke up frostbitten 'Cause when I explained ya can't complain for pain Travel through the brain hit a vein Then remain, let it radiate Vibes will vibrate Why did you violate Now I'm 'a have to let the style brak Moans now the tone is ingrown After this here's thrown, gimme another microphone Before I get that fifi I met Whisper I wanna reach your intellect Kiss her 'cause I wanna give her the most respect So I shine and let the write reflect Hold 'er, mold 'er, make 'er feel older Lay her on my shoulder EEverything I told her Makes her feel secure whenever I'm wit' 'er And you know how I did 'er Me and the rhythm hit 'er
