

Pretty poison

Ram Jam

It took of the mind
With all your hot sweet kisses
The poison is hot
Sweet and delicious
I'm in need of some action tonight, tonight
I demand satisfaction, tonight, tonight

You tipped out
And you were Jack Madon
And you were x-ray
And now you're x-rated
I'm in need of some action tonight, tonight
I demand satisfaction, tonight, tonight

Pretty poison, pretty poison, pretty poison
Pretty poison, pretty poison, pretty poison

I'm wild in Boston
You gotta crazy in Austin
You're going mental to
You're gonna rock in seeker
I'm in need of some action tonight, tonight
I demand satisfaction, tonight, tonight

Pretty poison, pretty poison, pretty poison
Pretty poison, pretty poison, pretty poison
