

Cabbies On Crack

Ramones

Got into a cab
Broadway, 59
Took off like a blast
Almost lost my mind, oh oh
Cabbies on crack

It first felt like at thrill ride
Excited for a while
Got pretty scary swerving at
100 miles an hour, oh oh
Cabbies on crack

I want to get out, out of this yellow shell
I want to get out, crack cabbies straight from hell
And I don't wanna die before I live
Cabbies on Cabbies on crack

Cabbies on crack
Want my money back
Disco blasting out
Stomach in my mouth, oh oh
Cabbies on crack

Times Square was approaching
He braked for the light
At 90 miles an hour, flashed by
saw my life, oh oh
Cabbies on crack

I want to...

And I don't wanna die before I live
Cabbies on Cabbies on crack
Cabbies on Cabbies on crack
Cabbies on Cabbies on crack
Cabbies on Cabbies on crack
Cabbies on
