

Death Of Me

Ramones

1. We've got to stop this crazy carrying on
It's gonna be the death of you
Stop this crazy carrying on
It's gonna be the death of me
It's gonna be the end you see
It's gonna be the death of we

2. If we don't stop this crazy carrying on
It's gonna be the death of you
Stop this crazy carrying on
It's gonna be the death of me
It's gonna be the end you see
It's gonna be the death of we

R: And I feel like I'm gonna die
I don't feel so good inside

But I had a good time
You know I had a good night, alright
