

# Freak of Nature

Ramones

I need psychiatric therapy  
I could use a lobotomy  
Guess I'll never learn  
Suppose I'll always be a worm

Freak of nature  
Got a ten inch erection, a pimply complexion  
Man I got problems, I'll bet you heard  
I'm completely misunderstood

Fa fa fa fa fa fa fa fa fa  
Fa fa

I'm a monstrosity  
I'm a human oddity  
Everybody's staring at me  
I'm an outcast from society  
Freak of nature
