

Freak of Nature

Ramones

I need psychiatric therapy
I could use a lobotomy
Guess I'll never learn
Suppose I'll always be a worm

Freak of nature
Got a ten inch erection, a pimply complexion
Man I got problems, I'll bet you heard
I'm completely misunderstood

Fa fa fa fa fa fa fa fa fa
Fa fa

I'm a monstrosity
I'm a human oddity
Everybody's staring at me
I'm an outcast from society
Freak of nature
