

Go Mental

Ramones

I'm going mental
I'm going mental

Out of the hospital
Out against my will
Life is so beautiful
I've gone mental

Mennnnnnn-tall
Mennnnnnn-tall

I've killed my family
They thought I was an oddity
Life is so beautiful
I am A vegetable

Mennnnnnnn-tall...

I'm going mental...

Staring at the goldfish bowl
Poppin' phenobarbitol
Life is so beautiful
I've gone mental

Mennnnnnnn-tall...

Sitting on my window sill
Life is so beautiful
I've become irrational
I've gone mental

Mennnnnnnn-tall...

I'm going mental...

I'm going mental...
