

# Go Mental

Ramones

I'm going mental  
I'm going mental

Out of the hospital  
Out against my will  
Life is so beautiful  
I've gone mental

Mennnnnn-tall  
Mennnnnn-tall

I've killed my family  
They thought I was an oddity  
Life is so beautiful  
I am A vegetable

Mennnnnn-tall...

I'm going mental...

Staring at the goldfish bowl  
Poppin' phenobarbitol  
Life is so beautiful  
I've gone mental

Mennnnnn-tall...

Sitting on my window sill  
Life is so beautiful  
I've become irrational  
I've gone mental

Mennnnnn-tall...

I'm going mental...

I'm going mental...
