

# Highest Trails Above

Ramones

Sinking into the stars  
Diving in for a swim  
Soaring like a superhero  
Past the end of Disneyland

Through dragon mist  
Above alpine peaks  
To the cloudy lace  
To the highest trails above

I feel so safe  
I feel content  
Send you all my love

Southern winds, shining rays  
Are all I need for flight  
Flying way past hero  
Paradise is just a sight

Through the distant blue  
Above the highest stars  
To the silent dark  
Send you all my love

I feel so safe  
Flying on a ray  
On the highest trails above

Sinking into...

Every wish comes true  
Most desired dreams  
Happy endings too  
Finally you find love

I feel so safe  
Flying on a ray  
On the highest trails above
