

# I Can't Make It on Time

Ramones

I can't make it on time  
I can't make it on time  
I keep tryin' and tryin'  
I can't make it on time

I can't hurry and you can't wait  
It doesn't matter 'cause we're already late  
I can't get off the telephone  
It always rings when I'm alone

You gotta wait wait  
Cause you don't need no one  
Wait wait  
Cause you know that I'm the one  
You gotta wait  
Hey, hey, hey
