

I Can't Make It on Time

Ramones

I can't make it on time
I can't make it on time
I keep tryin' and tryin'
I can't make it on time

I can't hurry and you can't wait
It doesn't matter 'cause we're already late
I can't get off the telephone
It always rings when I'm alone

You gotta wait wait
Cause you don't need no one
Wait wait
Cause you know that I'm the one
You gotta wait
Hey, hey, hey
