

# I Don't Want to Live This Life (Anymore)

Ramones

Now that you're gone  
I feel the pain  
My heart trembles  
I call your name  
I miss your touch  
Your soft blond hair  
I keep searching for an answer  
But it just ain't there

And I don't want to live this life  
And I don't want to live this life  
And I don't want to live this life  
Anymore

Everywhere I turn  
The finger points on me  
You'll never understand  
I'm in misery  
Oh baby, without you  
I have no one  
Oh my sweet darling  
What have I done?

And I don't want to live this life  
And I don't want to live this life  
And I don't want to live this life  
Anymore

All right!  
She smiled at me  
As I held her carefully  
The last words were I love you  
Thought it set me free  
And I can't forget  
That look on your face  
She looked like an angel  
As she died in my prayers

And I don't want to live this life  
And I don't want to live this life  
And I don't want to live this life  
Anymore
