

I Love You

Ramones

1. When I look in your eyes
I see words I can't describe
And these words I'm telling you
And I tell you I love you
2. Don't try to put me down
Just because my back is turned around
I'm playing it straight for once
Cause baby I love you

R: I really do
There's no one else like you
Baby I love

3. Baby I love you
No matter what you do
Baby I love you
And I tell you I love you

4. = 2.

*: Cause baby I love you
I really do
there's no one else like you
Baby I love you
Baby I love you
Baby I love you
Baby I love you
Baby I love you
Baby I love you
Baby I love you
No matter what I do
Baby I love you
And I tell you I love you
