

I Remember You

Ramones

I remember you I remember
You I remember you
I remember lying awake at night and thinking just of you
But things don't last forever and somehow baby
They never really do
They never really do

I remember you I remember
You I remember you
I remember lying awake at night and thinking just of you
But things don't last forever and somehow baby
They never really do
They never really do

I remember you I remember
You I remember you
I remember you I remember
You I remember you
I remember you, you I remember you I remember you

I remember lying awake at night and thinking just of you
But things don't last forever and somehow baby
They never really do
They never really do

I remember you I remember
You I remember you
I remember you I remember
You I remember you
I remember you
