

Now I Wanna Sniff Some Glue

Ramones

Now I want to sniff some glue
Now I want to have somethin' to do
All the kids want to sniff some glue
All the kids want somethin' to do

1-2-3-4 Now I want to sniff some glue
Now I want to have somethin' to do
All the kids want to sniff some glue
All the kids want somethin' to do

One-two-three-four-five-six-seven-eight
Now I want to sniff some glue
Now I want to have somethin' to do
All the kids want to sniff some glue
All the kids want somethin' to do

Now I want to sniff some glue
Now I want to have somethin' to do
All the kids want to sniff some glue
All the kids want somethin' to do
