Somebody Like Me

Ramones

Tired of naggin' nothin's ever happenin' That's the attitude that isn't fun A bottle of wine, a tube of glue I don't know what to do

I am just a guy who likes to rock and roll I am just a guy who likes to get drunk I am just a guy who likes to dress punk Get my kicks an' live up my life

Tired of complaints I am ready for fun But I'll make friends with anyone Are you out there somebody like me If you are, I hope that you can see

I am just a guy who likes to rock and roll I am just a guy who likes to get drunk I am just a guy who likes to dress punk Get my kicks an' live up my life

Don't go to school don't make me laugh Can't hardly spell, can't do math In the bar or out on the street At the concert at the boutique
