

# Swallow My Pride

Ramones

Winter is here and it's going on two years  
Swallow my pride  
And things were lookin' grim  
But they're lookin' good again  
Swallow my pride

Loose lips sink ships, they said  
But isn't it always that way?  
Swallow my pride, oh yeah  
Swallow my pride, oh yeah  
Swallow my pride, oh yeah

Winter is here and it's goin' on two years  
Swallow my pride  
And things were lookin' very grim  
But they're lookin' good again  
Swallow my pride

Oh, gonna have a real cool time  
And everything's gonna be real fine  
Swallow my pride, oh yeah  
Swallow my pride, oh yeah  
Swallow my pride, oh yeah

Winter is here and it's goin' on two years  
Swallow my pride  
And things were lookin' grim  
But they're lookin' good again  
Swallow my pride

Oh, gonna have a real cool time  
And everything's gonna be real fine  
Swallow my pride, oh yeah  
Swallow my pride, oh yeah  
Swallow my pride, oh yeah
