

Yea, Yea

Ramones

Yea Yea there's a girl I know
Yea Yea, Yea Yea
Yea Yea well I love her so
Yea Yea, Yea Yea
Well she's a little of this a little of that
She makes my heart go flippity flap
Whoa baby, baby I just love her so

Yea Yea, Yea Yea well she's the most
Yea Yea, Yea Yea
The coolest chick on the whole east coast
Yea Yea, Yea Yea

She makes my head spin like a tilt-a-whirl
Yea, yea, yea she's that kinda girl
Whoa baby, baby I just love her so

We can go to a drive in
It doesn't matter ya know
She's the kind of girl that I love so

Yea Yea, when she holds me close
Yea, yea, yea, yea
Yea yea, well she's the most

Well she's a little of this, a little of that
She makes my heart go flippity flap
Whoa baby, baby I just love her so

We can go down to N Street
It doesn't matter you know.
She's the kind of girl that I love so

Yea Yea there's a girl I know
Yea Yea, Yea Yea
Yea Yea well I love her so
Yea Yea, Yea Yea
Well she's a little of this a little of that
She makes my heart go flippity flap
Whoa baby, baby I just love her so
O yea
Baby I just love her so
