

Antennas

Rancid

You're selling sexism, you're selling racism
You're selling anything you get your fucking hands on
An understanding you gotta plan in
A presentation to advertisers who demand it

When you plan that
Your antenna's are pointed in the right direction
You make a deal in any situation
So with no evacuation
Let California fall into the fucking ocean

Oh they talk to ya, oh you're the town man
High profile Hollywood scumbag
It's a done deal signed and sealed
Deal makers making it all happen

When you plan that
Your antenna's are pointed in the right direction
You make a deal in any situation
So with no evacuation
Let California fall into the fucking ocean
Let California fall into the fucking ocean
Let California fall into the fucking ocean
Let California fall into the fucking ocean
