

Back Where I Belong

Rancid

I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong
I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong

Well I'm standing in the rain and I kind of want the blame
And it's all the fucking same and I do it all again
And I woke it all in pain and I'll be catching that next train
And this hell is turning late, let's get that corn again

And you won't see us coming til we're already gone

I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong
I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong

Well I'm sticking to the plan, [?] of the band
And I'm [?] set and I know who I am
Well I lay it on the line, well I'd say hell yeah
And it's always just the same, have you coming back again

And you won't see us coming til we're already gone

I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong
I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong

It's a long, it's a long, long way home
I'm back

Man, I've been gone way too long and I'm back where I belong

I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong
I'm back, I'm back, I'm back, I'm back, I'm back where I belong
I've been gone way too long and I'm back where I belong
I've been gone way too long and I'm back where I belong
I've been gone way too long and I'm back where I belong
