

Bloodclot

Rancid

Hey! Ho! Hey! Ho! Hey! Ho! Hey!

Well Im a crazy upsetter
Driving me insane
Yeah I'm a streetwise professor
Who am I to blame?
Now if you listen to the record
Do you feel the same?
Hell it don't get any better
Going backwards again

Swinging fists whack stitches in the face
Fuck ups like me are just sorry that we're great
Never been like them within society
Crowd protects me feeling the banality

Now my gun are blazing
Bloodclot I can see 360
And now my guns are blazing
Pick it back up and start it all over again

Hey! Ho! Hey! Ho!

Well I'm a bad mother fucker
Driving me insane
So don't you even bother
Who am I to blame?
Cuz when I listen to the record
Do you feel the same?
Hell it don't get any better
Going backwards again

I wish it was I wish you better have hope
Well I kick my way in it seems to piss you all off
Well I try to shut the gates the walls are fading
I climb from the depths of hell unscathen

Now my guns are blazing
Bloodclot I can see 360
Now my guns are blazing
Pick it back up and start it all over again

Hey! Ho! Hey! Go!

Now my guns are blazing
Bloodclot I can see 360
Now my guns are blazing
Pick it back up and start it all over again

Bloodclot
Oh yeah
Well I can see 360
I can see all around me
Oh yeah
