

## Daly City Train

Rancid

He was an artist and a writer  
and a poet and a friend  
In a man's life he will take a fall  
but how low he goes it just depends

He's shooting dope in the men's room  
at the station daly city train  
Have you ever seen an angel well I know I have  
they'll stay here for a while and then they'll fly away

(2x):

Jackyl had a beer in his hand last time I seen him  
When he rolled the dice he never thought twice  
never thought twice about being him

Some grown up and some grow old  
but what about the kid who never learned the rules  
Spent all these years on this earth  
when you look back it's just a flicker of time

Jackyl was one of the one's that perished  
He was one of the one's that was already saved  
Through all the evil and wreckage  
he maintained a sense of himself

(2x):

Jackyl had a beer in his hand last time I seen him  
When he rolled the dice he never thought twice  
never thought twice about being him

Some men are in prison even though  
they walk the streets at night  
Other men who got the lockdown  
are free as a bird in flight

(2x):

Jackyl had a beer in his hand last time I seen him  
When he rolled the dice he never thought twice  
never thought twice about being him
