

Holiday Sunrise

Rancid

So I packed everything I owned
Midnight Christmas Eve a kid could feel alone
I drink my scotch
My mind goes astray
Midnight Christmas Eve starts out in a way
I cried when I had no shoes 'til I met the man with no feet

It's just a
Holiday Sunrise
I suddenly realized I got no alibis
Holiday Sunrise

Relatives of mine said they were born again
Fucked up world has made me born against
I'm a sinner and my soul should be cleansed
I'll take my chances when I'm dead
I cried when I had no shoes 'til I met the man with no feet

It's just a
Holiday Sunrise
I suddenly realized I got no alibis
Holiday Sunrise
