

Killing Zone

Rancid

Drop bombs, You're gonna be warned
You're gonna be scorned, You're gonna be torn
There's a storm hittin' your home, not a false alarm but a real
one
Can't trick it, let's wake up, can't stick it, pick it lines st
riking
If you like it, don't fight it, just hold it, then want it

Head straight to the killing zone, Now the war's on
Head straight to the killing zone, now the war's on, holes in t
he ozone, we're all gone
Head straight to the killing zone, Now the war's on
Head straight to the killing zone, now the war's on, holes in t
he ozone, we're all gone

All the nights of constant run, if you're the one, well now you
're bombed
Sail on, Mr. Dumb One, you got a shot gun, hit the marksmen
Complex thoughts here, he don't live here, keep the war there,
just to control there
Without a care here, you should just see there
Start a war there, cross the borders
