

# Nihilism

Rancid

Hey! (4x)

come into the union district  
drive down on sharmon palms  
white ghettos paint a picture  
broken homes and broken bones  
i was so full of scotch i could not stand up  
i was hittin the shots and i moved to a cup  
release me from moral assumption  
total rejection total destruction  
nihilistic feelings are moving  
if you try real hard you'll see right through them

nihilism! (4x)

come into the union district  
drive down on sharmon palms  
white ghettos paint a picture  
broken homes and broken bones  
walkin a path of self destruction  
not affected by the repercussions  
lady on the billboard offer me a drink  
said not right now i need time to think  
nihilistic feelins are movin  
if i try real hard  
i'll see right through them

nihilism! (4x)
