Radio

Never fell in love until i fell in love with you Never know what a good time was until i had a good time with you If you wanna get the feeling and you wanna get it right Then the music gotta be loud for when the music hit i feel no pain at all Warm summer night i was drinking with my dad He tried to give me the love that i never had But he gave more love to his bottle of wine So i had to go out and find love of another kind Here it is Here i am Turn it up fuckin' loud Radio, Radio, Radio... When i got the music i got a place to go Radio clash magnificent 7 I was a choir boy you showed me no heaven Two tools surley lost no remorse ignoring the cost Here it is Here i am Turn it up fuckin' loud Radio, Radio, Radio... When i got the music i got a place to go
