

# Red Hot Moon

Rancid

Under the red hot moon take the bus downtown to the graveyard shift tonight  
Under the red hot moon take the bus downtown to the graveyard shift tonight

K.C.'s from Campbell California  
She's got a reputation that she didn't ask for  
And she's waiting for an escape  
Now that escape is called the 164

Now K.C. she won't admit where she is from  
And K.C. she wants to run, run, run  
She's a punk rocker she don't trust no one  
On a South Bay bus all alone

Under the red hot moon take the bus downtown to the graveyard shift tonight  
Under the red hot moon take the bus downtown to the graveyard shift tonight

K.C. was never caught up like the rest of the rats in a fuckin' maze  
Check me out she said i'm in a concrete jungle  
I'm an individual and you are stuck in a haze

Oh hell no, she knows where the truth is  
Cause she said so, and she knows who her friends are  
So fuck you! don't get no closer  
It'll only make her run far away

Under the red hot moon take the bus downtown to the graveyard shift tonight  
Under the red hot moon take the bus downtown to the graveyard shift tonight

I knew K.C.'s brother pretty well  
Lets say we spent alot of time hangin' out  
I always thought he said that she'd be the one  
To get outta here and make a life for herself

But when we found her in the little league park  
In the dugouts it was cold, damp, and dark  
And no one knew why she wouldn't wake up  
I think she finally made it back home

Under the red hot moon take the bus downtown to the graveyard shift tonight

[Skinhead Rob's part]

One time for your mind  
Two times for your soul  
Three for the graveyard  
And the money I fold

Dipped out in the city  
Where the sun burns slow  
No hope its a pity  
I can't say no

It's not my time to go  
It's not my time to die  
The last thing I want  
Is for my mother to cry

It was love at first light  
The very first night  
Things have never been the same  
Since I took my first flight

The way I live my life  
I love I live languish  
Lost me from the start  
You lose you'll never have this

Untouched, unleashed  
Back up you don't want it  
Stick him for his cash  
His bad its how he flaunt it

Take two and pass  
I'll take two and blast  
Bust a mother fucker  
I'm out on the smash

Dipped out I'm high as fuck  
I'm outta control  
Lets bounce, rock, skate  
Man i'm ready to roll!
