

Ruby Soho

Rancid

Echoes of reggae comin' through
my bedroom wall
havin' a party up next door but
i'm sittin here all alone
two lovers in the bedroom
and the other starts to shout
all i got is this blank stare
and that don't carry no clout at all

He's singin and she's there to lend a hand
he's seen his name on the marquee
but she will never understand
once again he's leavin'
and she's there with a tear in her eye
embraces with a warm gesture it's time,
time to say goodbye

Ruby's heart ain't beatin
cause she knows the feelin' is gone
she's not the only one who knew
there's somethin' wrong
her lover's in the distance as she
wipes a tear from her eye
ruby's fading out, she disappears,
it's time, time to say goodbye
