

Something in the World Today

Rancid

Yeaaaaaaaah !!!

There's something in the street tonight
Don't know what it is, but it won't keep quiet
Breaking through your masses on your radio broadcaster

There's something in the air tonight
And it's turning in to a full fledged riot
Singin' for a last dance (?) someone tryin' to find the truth

Yeah!!!

Ohh Nine Lives - I'm gonna come right back for you
Ohh Nine Lives - I'm gonna come right back for you

There's something in the world today
Don't know what it is but it sure smells rotten
Babylon's burning and the fire seems waterproof

There's someone in your home tonight
You think you know who they are, but something ain't so right
I look a different way and boy they don't feel the same about me

Ohh Nine Lives - I'm gonna come right back for you
Ohh Nine Lives - I'm gonna come right back for you

And I run and I run, and I ride and I ride
And I live and I live, and I die and I die
And I know.. it was all for you and me (4x)
