Rancid

I was there in the rain  
Man, even if them skies were blue  
You can find me on the corner of Durant  
And Telegraph Avenue

When I was only 17  
I knew what I had to do  
So I grabbed my left handed guitar  
And I headed out to Telegraph Avenue

Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na  
Oh yeah

Mario Savio gave a speech  
It was him against The Machine  
For that he spent 3 month in jail  
But he said he'd do it again

Governor Reagan had enough  
So the National Guard they pushed on trough  
Tear gas and riot police  
On Telegraph Avenue

Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na  
Oh yeah

The ones who stand for freedom of speech  
Well this one goes out to you  
Well I can still hear your voice  
On Telegraph Avenue

Na na na na na  
Na na na na na na na  
Na na na na na  
Na na na na na na na  
Oh yeah
