

# Unwritten Rules

Rancid

Kick, kick drum  
Increase the weight of the sound  
The dialogue of maximum decibels  
Is enough to move the fucking ground  
I'm gonna amplify the rage of a class that's not inferior  
The message in the volume this song's a carrier

Unwritten rules  
Rules understood  
Unwritten rules  
Boomin' out through the amps in the hood  
I like to drink beer, play music, and go to shows  
It's not about paying dues  
If you do it out of love  
I'm not jaded  
A junkie runnin' dry  
Hell no  
I don't know anything else  
I'll be playing until I die
