

Merry Go Round

Randy Crawford

Say I'm crazy
'Cause I have to have you
Say I'm dreaming
'Cause I wanna see this through
Say there's no meaning to life
If I'm not with you
My love, my only love
'Cause it's you
Who will always be my first love
It's you
Who first showed me who I really was
In you
My soul has found the one
I'm searching for
It's true, I adore you
Our love is like
A merry go round
Sometimes it's up
Sometimes it's down
Like the sun and the rain
Even good loves found the change
Boy, you should know
'Cause the love we have we shouldn't let go
Now you can walk away
Go on without me
Or you can try to stay
And make this easy
Though it's hard
If you really wanna be alone
It's okay, okay
Our love is like
A merry go round
Sometimes it's up
Sometimes it's down
Like the sun and the rain
Even good loves found the change
Boy, you should know
'Cause the love we have we shouldn't let go
It's clear to see
Your heart belongs to me
I'll always get by
With you in my life
Don't you ever leave
Our love is like
A merry go round
Sometimes it's up
Sometimes it's down
Like the sun and the rain
Even good loves found the change
Boy, you should know
'Cause the love we have we shouldn't let go
