

# Merry Go Round

Randy Crawford

Say I'm crazy  
'Cause I have to have you  
Say I'm dreaming  
'Cause I wanna see this through  
Say there's no meaning to life  
If I'm not with you  
My love, my only love  
'Cause it's you  
Who will always be my first love  
It's you  
Who first showed me who I really was  
In you  
My soul has found the one  
I'm searching for  
It's true, I adore you  
Our love is like  
A merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves found the change  
Boy, you should know  
'Cause the love we have we shouldn't let go  
Now you can walk away  
Go on without me  
Or you can try to stay  
And make this easy  
Though it's hard  
If you really wanna be alone  
It's okay, okay  
Our love is like  
A merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves found the change  
Boy, you should know  
'Cause the love we have we shouldn't let go  
It's clear to see  
Your heart belongs to me  
I'll always get by  
With you in my life  
Don't you ever leave  
Our love is like  
A merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves found the change  
Boy, you should know  
'Cause the love we have we shouldn't let go
